Alternative ways to connect to the webinar

JOIN WITH APPLICATION OR BROWSER: Please, click the button above or the link below to join.

Password: 537520

Link to join: https://chalmers.zoom.us/j/67055782699?from=addon

Join with Zoom application: choose to download Zoom in the browser window that opens, and join in the Zoom application once it´s installed. This is the best choice if you are permitted to download and use the application.

Join with browser: choose to join with your browser in the browser window that opens. This works best with Google Chrome, but you can also use Firefox, Edge and Safari. Upon joining you might get the choice to join with your computer audio or by calling in. If you have a restricted/safe browser or if your version is too old, your only option might be to call in to join with audio. The numbers to call are presented both in your browser and below.
